

THE PORT AUTHORITY OF NEW YORK & NEW JERSEY

PORT AUTHORITY NEWS BULLETIN

Office of the Chairman

Bulletin #16-01

January 7, 2016

I am pleased to announce that effective January 19, Patricia Hurley will join the Port Authority as my new Chief of Staff.

Pat joins us following an accomplished 26-year career in Human Resources at Chubb, one of the world's largest property and casualty insurers, having retired in early 2015 as Senior Vice President for Global Field Operations. At Chubb, Pat oversaw the development, execution and monitoring of key HR deliverables to drive the achievement of business plans and objectives across a 10,200-person workforce.

Additionally, her experience and expertise in a variety of areas, including strategic planning, leadership development, workforce planning and employee relations, will without question make her an important asset to this agency as we look to ensure continued focus on the business of the Port Authority.

Pat is active in her community and is the Board Chair for the Somerset County YMCA, where she has also volunteered and served as a board member for several years. She graduated from Cornell University with a bachelor's degree in Industrial & Labor Relations and currently resides in Millington, NJ, with her husband.

Please join me in welcoming Pat to the Port Authority and supporting her in her new role.

John J. Degnan

Chairman
